CLAIM FOR DAMAGED GOODS

If any of these goods are received short or in a damaged condition, it is important that you notify the freight agent and insist upon his making a notation of the loss or damage across the face of the freight bill, otherwise no claim can be enforced against the transportation company. Our responsibility ceases absolutely when we deliver this shipment in good order to transportation company so if you give them a clear receipt for the goods that have been damaged or lost in transit, you do so at your own risk and expense.
